Evidence of insurance coverage shall also provide that the insurance coverage shall not be canceled except after ten (10) days prior notice in writing by the carrier to the board. Upon request by an applicant, the board shall review an application and provide a letter to the applicant that a proposed CDL driver training school has met all preliminary requirements for approval, except the provisions of this paragraph. The letter may be used by the applicant to help secure the liability insurance coverage needed under this paragraph to obtain a license to operate a school. A letter provided under this paragraph shall not be construed as approval to perform CDL driver's training or to operate a school.
- (2) Each original application for a license to operate a CDL driver training school and each application for renewal of a license to operate a CDL driver training school shall be accompanied by the payment of a fee of two hundred dollars (\$200) to the board and written proof that the applicant has complied with the criminal history background check required by KRS 165A.465. The application fee charged under this subsection shall not be refundable if, based upon the background check, the board denies the person the right to be issued a license under this chapter.
- (3) The board shall pay the State Police to inspect and investigate CDL driver training schools under the requirements of subsection (4) of this section. The payment shall

be an amount not greater than the actual cost of conducting the inspection and investigation.

- (4) Upon receipt of an application for a license to operate a CDL driver training school, the board shall request the State Police to investigate the person's program and verify the information contained in the application. The State Police shall contact the applicant and make an appointment to inspect the school's facilities. At the time of inspection, the State Police shall verify that the school meets the standards promulgated as administrative regulations under KRS Chapter 13A for license as a CDL driver training school. Upon request, the standards shall be furnished to the school by the board prior to the visit. If the standards are met, the school shall be licensed to offer instruction on how to operate a commercial motor vehicle including classifications, endorsements, and restrictions.
- (5) Any person seeking a license to act as a CDL driver training instructor shall apply to the board on forms prepared and furnished by the board setting forth that the applicant is twenty-one (21) years of age or older; is of good moral character; is a high school graduate or has the equivalent of a high school education, or has equivalent experience; and holds a current and valid operator's license.

The application fee charged under this subsection shall not be refundable if, based upon the background check, the board denies the person the right to be issued a license under this chapter.
- (7) In making the determination of good moral character under this section, the board shall consider but shall not be limited to the following:
 - (a) If the applicant has been convicted of a crime;
